

Handwriting Club

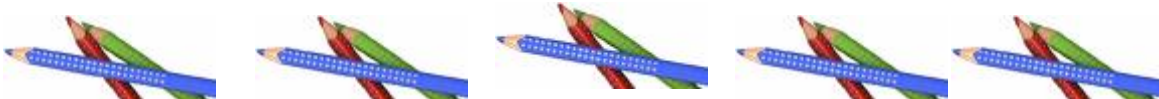

The handwriting club was created to provide children with fine motor difficulties a place to practice and improve their handwriting skills in a fun, creative environment.

The goal is to improve their academic success and foster self-confidence.

Classes are provided in a small groups (up to 4 children) and run for a series of six one hour sessions. The cost is \$200.00 for a 6 week session.

Fun, fun, fun!

Kids actually love handwriting club with Lynda Gallagher, a registered Occupational Therapist.

Children who would benefit from the Stepping Stones Handwriting Club may have:

- **An unconventional or awkward pencil grasp**
- **Inconsistent hand preference**
- **Reduced or poor pencil control**
- **Poor sitting posture**
- **Poor written legibility**
- **Difficulty with letter formation, alignment and spacing between words**
- **A negative attitude or resistance to writing**
- **Difficulty learning to print or write in cursive**
