Raising Responsible Kids

Motivate and Inspire

Tuesday, April 27th 7:00-8:30
at Stepping Stones Cost: \$20

We all want to see our kids healthy, happy and successful- in this workshop we'll discuss how to motivate your children, or the children you work with, to achieve that success on their own. Learn how to effectively use consequences to inspire learning and confidence.

Behind the Behavior

Clear Communication

Thursday, May 18th 7:00-8:30
at Stepping Stones Cost: \$20

Why do kids do the things they do? Behind the choices kids make and ways that they act are messages and communication. If we watch and listen carefully, understanding happens. In this workshop, you'll learn ways to improve your understanding, "hear" what your kids are saying to you. Learning how to talk to your kids, and listen to them will build strong, trusting relationships.

Teachers and parents,

Join us for our spring workshops designed especially for the needs and challenges you face on a daily basis. Workshops are kept small so there is plenty of time for questions and individual problem solving.

Cost is \$20.00 per workshop. Register for 2 or more workshops and save \$5!
