

# Birthday Parties for Children with Special Needs

Come to **Stepping Stones Center for Education and Development** for a custom birthday party. Choose from a variety of fun-filled activities that are overseen by our staff or create your own. We'll do the work and you can enjoy your child and guests.

## Party Packages:

All parties are customized for the particular age group and *special needs* of the child.

- **Sports**—play a variety of sports and movement activities during one hour of structured fun.
- **Karate**—have fun learning karate techniques and learn a little Japanese in the process!
- **Curious Creatures**—hold and learn about exotic animals. Great for all ages.
- **Sewing**—make a unique sewing project for dolls, bedroom accessories, or for something to wear.
- **Music and Movement**—learn songs and movement activities while having fun playing with instruments. This party is great for younger children.
- **Create Your Own Theme**— (may have additional cost).

**Cost:** \$250.00 for 1 1/2 hours, \$290.00 for 2 hours (includes a craft project) for 12 guests. \$10.00 extra for each additional child up to 17 children.

Private facility for you and your guests.

Includes paper products, structured activities and party room for your cake and presents.

Reserve your party with a \$50.00 deposit.
